

## Membership Application

I wish to apply for membership in the Blue Mountains Public Broadcasting Society. I understand voting rights are issued one per individual; two per family membership; one per organisation or business; no voting rights are extended to Station Supporter. I also understand that as a member I can apply to be a presenter on Blue Mountains 89.1; and I will also be able to participate behind the scenes in the running of our community radio station.

Please accept my payment as evidence of my formal acceptance to abide by the society's governance guidelines and all decisions made by the Management Committee.
